Products for Healthcare Facilities

Architects and designers acknowledge that healthcare projects are among the most complex. Accommodating patron and staff requirements vary from one environment to another. Bobrick answers these needs with a collection of new and specialized products in concert with a comprehensive line of accessories.

BUILDING VALUE SINCE 1906

Bobrick proudly points to a 100-year plus history of engineering and producing healthcare products that meet the stringent criteria for design excellence, hygiene, compliance and durability.

HEALTHCARE APPLICATION

This brochure is divided into five specialized healthcare environments that provide routine and sensitive medical services to patients with a variety of treatment requirements and physical challenges. Joining Bobrick's new design-integrated medical products collection are also many models from the Company's extensive line of accessories.

LIGATURE RESISTANT RESTROOM

Our new white powder coated accessories are installed in this room including a vertical bay c-fold paper holder, spindle button semi-recessed toilet paper holder, recessed shelf and auto-release hook.

PATIENT RESTROOM

Among the more specialized products is the new heavy-duty folding shower seat designed for bariatric patients. It is offered in left and right configurations for installation flexibility.

INDIVIDUAL RESTROOM

This multi-functional room is designed for collecting patient specimens as well as serving the public. The new ADA-compliant specimen pass-through cabinet features interlocking doors for security and privacy.

EXAMINATION TREATMENT ROOM

Several new products are installed in this treatment room including a hygienic foot-operated waste receptacle, sharps disposal, charting station and secure narcotics cabinet.

ASSISTED CARE RESTROOM

New products of interest are the white vinyl coated accessories, curved shower rod, folding bathtub seat and antimicrobial, warm-to-the-touch, grab bars for extra patient comfort.

LIGATURE RESISTANT RESTROOM

- A VERTICAL BAY C-FOLD PAPER HOLDER**
White powder coated, stainless steel, ligature resistant, capacity of 400 C-fold paper towels. B-9881 (shown).
- B SPINDLE BUTTON SEMI-RECESSED TOILET PAPER HOLDER**
White powder coated, stainless steel, ligature resistant, release spring loaded buttons deter use as a point of ligature. B-9882 (shown).
- C RECESSED SHELF**
White powder coated, stainless steel, ligature resistant, shelf dimensions of 5" (127mm) height and 16" (406mm) in length for storage. B-9883 (shown).
- D AUTO-RELEASE HOOK**
White powder coated, stainless steel, ligature resistant, tamper resistant, adjustable release force range of zero to twenty-five pounds. B-9884 (shown).

Recessed Shelf

PATIENT RESTROOM

- A FOLDING SHOWER SEATS**
ADA-compliant reversible wall-mounted foam padded and solid phenolic models, and foot-supported bariatric units. B-51815 (shown). B-918116R bariatric, B-918116L, B-5192, B-5193.
- B STAINLESS STEEL SAFETY GRAB BARS**
Concealed-mount, satin-finish; available in straight, special configurations and swing-up models with peened option for grip. B-4998 swing-up (shown). B-6806 Series 1-1/2" (38mm) straight (shown).
- C MIRRORS**
Commercial grade, high quality LED-lights, fixed position ADA-compliant, standard sizes, and styles. B-167 (shown).
- D SOAP DISPENSERS**
Automatic and manual countertop liquid and foam, wall-mounted models; each dispenses universal lotion and antibacterial soaps. B-2012 (shown).

Folding Seat with Legs

INDIVIDUAL RESTROOM

A SPECIMEN PASS-THROUGH CABINETS

Recess-mounted, self-closing doors with interlocking privacy access, one door opens at a time, removable tray.
B-50516 7" (178mm) depth (shown). B-50517 11" (279mm) depth.

B NAPKIN-TAMPON VENDORS

ADA-compliant, push-button operation, three design series, recessed and surface-mounted. "Free," 25¢, Token coinage.
