Roll Paper Towel Dispensers

*Durability
and Design Options*

Bobrick's versatile Touch-Free Roll Towel Dispensers are suited for all building types and washroom environment needs including vandal-resistant requirements.

FAST FACTS

Best Value B-3961

Convertible towel dispenser. The universal roll towel dispenser can be interchanged with folded towel dispenser module. (Bobrick Part No. 3944-52)

Touch-Free mechanism complies with Barrier-Free accessibility guidelines.

Automatic towel transfer eliminates paper towel outages and stub roll waste.

Accepts standard-core rolls up to 8" wide, 8" diameter. Dispenses one 12" length of towel per pull.

Interior hooks secure reusable heavy-gauge vinyl liner (Bobrick Part No. 3944-12).

Removable waste receptacle secured to cabinet with a tumbler lock; keyed like other Bobrick products. Interchangeable 18-gallon waste receptacle available (Bobrick Part No. 386-60).

The top and bottom edges of the waste receptacle are hemmed for safe handling.

Why Bobrick Touch-Free Roll Towel Dispensers?

- **Designed to dispense a wide variety of non-proprietary paper towels allowing significant savings over proprietary dispensers.**
- **All models available with Touch-Free pull towel dispensing mechanism which helps prevent cross-contamination in hygienic-demanding environments.**
- **Design choices in surface mounted and recessed models available for all budgets and installations.**
- **2-day QuickShip for most models.**

Value Added Features:

| | |
|----------------|---|
| Convertible | This concept offers the flexibility of conversion from or to folded or universal roll towels, and 12- or -18 gallon waste capacity to meet changing needs. |
| Touch-Free | On all Bobrick Touch-Free Roll Towel Dispensers, there is no lever to push down. The user simply pulls down on the paper towels. This helps prevent cross contamination in hygienic-demanding environments. |
| ADA Compliance | Refer to the Barrier-Free Washroom Planning Guide (Form No. BFPG-03) and Bobrick's Technical Data sheets for mounting, placement, and operation guidelines. All building plans should be confirmed with local jurisdictions to ensure job compliance. |
| Warranty | One year warranty on all Bobrick Washroom Accessories. |

Cleaning/Maintenance Tips:

1. Clean equipment operates better, lasts longer and requires less maintenance.
2. Polish with the grain of satin finish.
3. Remove residue of any cleaning product with water and wipe dry with clean cloth or paper.
4. Please refer to Technical Bulletin 21 for further stainless steel cleaning instructions.
