

Bobrick Product Comparison Sheet

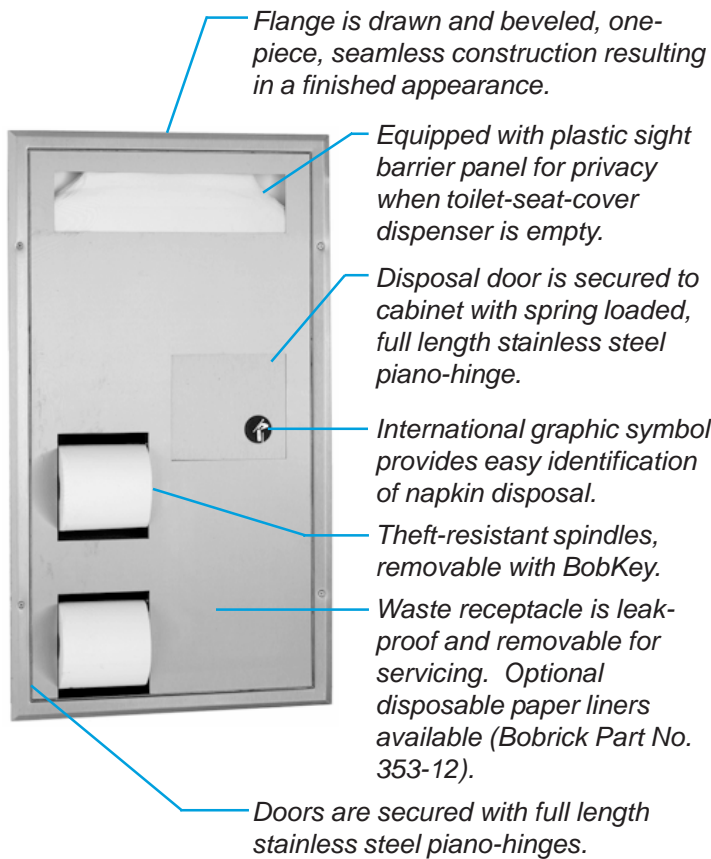

Partition Mounted Combination Units

Combining Excellence and Choice

Bobrick's architecturally designed partition mounted combination units serve two compartments and offer several product functions in one streamlined installation.

FAST FACTS

Best Value B-3571

Why Bobrick Partition Mounted Combination Units?

- Designed to dispense a wide variety of non-proprietary tissues allowing significant savings over proprietary products.
- Accommodates Barrier-Free compartments, one side of the unit is flush against the partition to install a grab bar across the front of the unit.
- Units mount through partitions, 1/2" to 2" thick, serving two compartments, maximizing the space within the compartment.
- Design choices in surface mounted, recessed and partition mounted available for all budgets and installations.
- 2-day QuickShip for most models.

Value Added Features:

Cutout Policy	Cutouts in Bobrick toilet partitions can be pre-cut for Bobrick partition mounted accessories at the factory if the location and size of the cutout are specified and an order for both partitions and accessories are received together.
ADA Compliance	Refer to the Barrier-Free Washroom Planning Guide (Form No. BFPG-03) and Bobrick's Technical Data sheets for mounting, placement, and operation guidelines. All building plans should be confirmed with local jurisdictions to ensure job compliance.
Warranty	One year warranty on all Bobrick Washroom Accessories.

Cleaning/Maintenance Tips:

1. Clean equipment operates better, lasts longer, and requires less maintenance.
2. Polish with the grain of satin finish.
3. Remove residue of any cleaning product with water and wipe dry with clean cloth or paper.
4. Please refer to Technical Bulletin 21 for further stainless steel cleaning instructions.
