FOR IMMEDIATE RELEASE

BOBRICK REDESIGNS PARTITION MOUNTED DUAL-SIDED STAINLESS STEEL TOILET TISSUE DISPENSER.

July 24, 2006 — North Hollywood, CA — Bobrick Washroom Equipment, Inc., announced the introduction of their redesigned B-386 Stainless Steel Partition-Mounted Dual-Sided Toilet Tissue Dispenser. This fits the prior model's partition opening of 11-1/2" wide x 10-7/8" high for installation in toilet partition panels 1/2" to 2" in thickness. Capacity is two standard core toilet tissue rolls up to 5-1/8" in diameter on each side serving two compartments. Design incorporates four chrome-plated plastic spindles with heavy-duty internal springs, and theft-resistant spindles.

For more information, contact Bobrick at 800/553-1600, or visit www.bobrick.com.
