Instructions For Using The Dryer Guide

• Signs for your safety:

General mandatory sign (to be accompanied where necessary by another sign)

Danger: Electricity

- Please fill out the Dryer Service Information Sheet completely. If a section is not necessary/available insert N/A in the space.
- If the faulty dryer has been installed for 2 months or less, then **replace complete dryer and return** faulty unit to the nearest <u>Bobrick Customer Service Department.</u>
- When you receive a call concerning a dryer problem inform, the customer/end user to <u>clean the</u>
 <u>dryer and check the motor brushes</u> before going on with diagnosing the problem. Fax them the
 cleaning instructions from the guide. If the dryer still does not function after cleaning,
 then continue filling out the Dryer Service Information Sheet.
- Inform the customer/end user that the malfunctioning/replaced parts must be returned to the Bobrick Customer Service Department or a charge will be made for replacement parts.

Date Code Information

The date code on all Bobrick Dryers is found on the upper left corner of the rating label and on the serial number label.

The date code will contain two digits and one letter.

Serial Number Label

The digits designate the week and the letter designates the year.

M = 1989

Routine Maintenance Instructions

- All Bobrick Dryers require cleaning every 6 months to ensure that they function effectively. Please note that failing to clean the dryer may result in malfunction and can void the warranty.
- If the dryer is installed in an area prone to dust and dirt this cleaning procedure should be carried out more frequently.
- Check the length of motor brushes, where applicable, when performing the cleaning procedure.

Cleaning Instructions:

a) The Exterior of Cover

Should be cleaned with a damp cloth, **DO NOT** use aggressive cleaners or solvents as they may permanently damage the surface.

Bobrick dryers are drip proof (IP21 or better, see rating label). **DO NOT** spray with liquids to an extent that they could enter the unit.

b) The Interior

Having turned off all power to the dryer, remove the cover.

Using a small brush or vacuum, carefully clean out the build up of dust and lint.

Check the length of the motor brushes. If less than $\frac{1}{2}$ " replace. Check that motor brushes are i installed correctly and that brushes are worn evenly.

Replace the cover.

Turn the power back on.

Information and Troubleshooting for the B-715 Elan™ Dryer

For complete set of Installation Instructions refer to form No. 715-69

Information about the Dryer:

- · Durable, brushed stainless steel cover.
- The cover and the electronic controller are available for replacement.

Product Types:

Product Types:

B-715 Series A

B-715 Series B

Electrical Characteristics.

Limited Warranty

The Bobrick B-715 Elan™ Dryer are warranted to the original owner of the installed unit for five years from date of original installation against defects in factory workmanship or material under normal use and service*.

This warranty is limited to repair or exchange of defective parts at the option of Bobrick.

This warranty does not cover accidental damage, improper handling or installation, or repairs made by unauthorized persons, and specifically excludes claims for indirect, accidental or consequential damages to property. The implied warranties of merchantability and fitness for a particular purpose are limited to the same duration of the above warranty.

Some states do not allow the exclusion of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

* Normal service constitutes performing the following preventive maintenance procedures at six-month intervals:

Remove cover and clean any lint, dust or grease from air inlet/outlet grille.

Labor costs for preventive maintenance shall be at owner's expense.

For repair or exchange of defective part, send the part together with installation date and serial number to Bobrick.
