# The Best Seat in the House

Helping operators of public establishments equip their operations to accommodate the needs of caregivers and their children is what Koala Kare Products is all about. We're proud to be the world's leading provider of safe and innovative commercial childcare products for over 25 years.

## KIDSITTER® KB866/KB877/KB888

This 2 in 1 product provides the safety and comfort of a high chair and an infant seat cradle. This highly durable commercial product serves as a high chair and can easily be converted to an infant seat cradle by changing the position of the high chair seat. Lift the seat in an upward movement and rotate the seat in the direction of the leg opening (opposite side of the instructional label). Seat will rest between the legs of the chair.

The KidSitter® is available in multiple color combinations, making this design friendly with restaurant decors. Choose from Brown, Grey and Tan legs and Black, Brown, Grey, Red and Blue seats. Available with and without wheels.

# Koala High Chairs

## DESIGNER HIGH CHAIR KB105

Sleek design and color choices match modern restaurant design and décor. Constructed of seamless, solid HDPE plastic, which is more durable and easy to clean. Textured surface resists scuffing, chipping and scratching. There are no crevices or seams for food to collect. Chair has a small footprint in the dining area and is stackable as a space saver. Table height chair allows a seated child to eat off a standard restaurant table without the need for a tray. Curved design reduces potential liability by preventing chair from being turned upside down and used unsafely to balance an infant carrier. Meets the ASTM and EN High Chair Standards.

**Dimensions:**  
16 $\frac{3}{4}$ " W x 29 $\frac{1}{2}$ " H x 21 $\frac{3}{4}$ " D  
(425 x 749 x 553 mm)
