## **BOBRICK INTRODUCES NEW HPL SERIES TOILET PARTITIONS**

North Hollywood, CA – June 5, 2013 – Bobrick Washroom Equipment, Inc. announced the introduction of their new High-Pressure Laminate HPL Series Toilet Partitions featuring two new systems, complementing the existing ClassicSeries® which is comparable in price to powder-coated metal. New MetroSeries™, and AccentSeries™ have a variety of hardware systems and privacy options to satisfy all budget parameters. All HPL partitions outperform metal for graffiti, impact and scratch-resistance, comply with fire code and safety standards, and LEED credits. Many new designer colors and patterns are offered with unlimited selections offered by leading laminate manufacturers. Bobrick.com.
