PRIVADA® HANDS-FREE LATCH

Features and Benefits:

- Larger surface area allows for elbows and wrists to open and close the latch for a more hygienic experience
- Reduce contact with public surfaces
- Easily retrofitted on installed latches
- Upon exit, handle returns automatically to the upright position
- Sacrificial nylon tip breaks off in the event of vandalism, reducing damage to latch and replacement costs

AUTOMATIC OCCUPANCY INDICATOR SIGN

Features and Benefits:

- By Peep No More™
- Ensures privacy and security for guests in occupied stalls
- Permits custodial staff to clean and restock more efficiently
- Indicators are easy to install, maintenance-free, durable and long lasting
