# BOBRICK ADVANTAGE

## SOAP, PAPER & LABOR SAVINGS

### SAVE COUNTLESS DOLLARS WITH BOBRICK

Select Bobrick **Washroom Accessories** to escape the high prices of consumables contracts. Bobrick accessories use non-proprietary bulk soap and universal roll or folded towels.

- Use bulk soap for significant cost savings of 80% or more over proprietary cartridges.
- Use easily available universal roll paper towels to reduce cost and waste.

Our top filling soap dispensers save labor. No more under-counter servicing of screw-on cartridges.

Unmatched reliability with 99.99% jam free operation.

Choose our **Automatic, Universal Roll Towel Dispensers** for reliable touch-free operation and non-proprietary paper refills.

- Accommodates easily available universal roll paper towels to reduce cost and waste.
- Trigger bar technology and adjustable sensor range virtually eliminates unintentional dispensing.
- Adjustable dispense length and concealed or exposed paper option balance saving and patron satisfaction.

## HOW MUCH WILL YOU SAVE?

Use our Cost Saving Calculators to compare operating costs based on consumable soap and paper product purchases and usage levels.

# CASE STUDIES

## HIGH-VISIBILITY SCHOOL DISTRICT

### LEGISLATIVE CHANGES CHALLENGE LARGE SCHOOL DISTRICT

The largest school district in California turned to Bobrick when legislation called to provide free menstrual care products. Bobrick's **Surface-Mounted Napkin/Tampon Dispenser, Free Access** was tested against other dispensers, as well as free-standing baskets. In every situation, the **B-2706C** was proven the superior choice.

### HOW DOES LEGISLATION AFFECT YOUR AREA?

## LESSONS LEARNED

### SCHOOL DISTRICT RETURNS FOR BOBRICK'S DEPENDABILITY & DURABILITY

When the time came to upgrade to touch-free accessories, Magnolia Elementary School District knew they could rely on Bobrick stainless-steel accessories. For young users still learning the basics of restroom hygiene, the simple handwashing and drying experience of the **B-2012** and **B-2974** make for an easy-to-use touch-free system.
