

BUILDING VALUE SINCE 1906

Automatic Occupancy Indicator Sign by **Peep No More**™

FEATURES

- Decreases patron wait times.
- Ensures privacy and security for guests in occupied stalls.
- Allows disabled guests to identify open restroom stalls.
- Permits custodial staff to clean and restock more efficiently.
- Indicators are easy to install, maintenance-free, durable and long lasting.

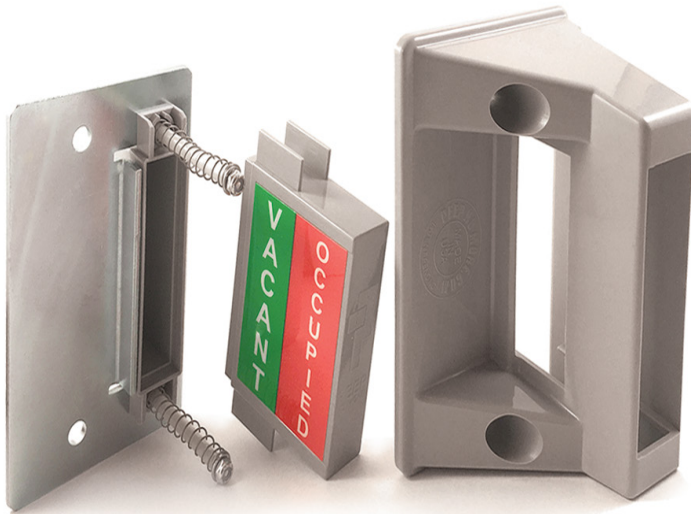

APPLICATION

- DuraLineSeries® CGL
- SierraSeries® SCRC
- DesignerSeries™ HPL
- TrimLineSeries™ HPL
- Budget HPL Series

The patented **Peep No More** restroom partition occupancy indicator sign clearly shows whether public washroom partitions are occupied or vacant from a far distance.

This makes public facilities more user friendly by enhancing the guest experience with improved safety, security and efficiency in the washroom.

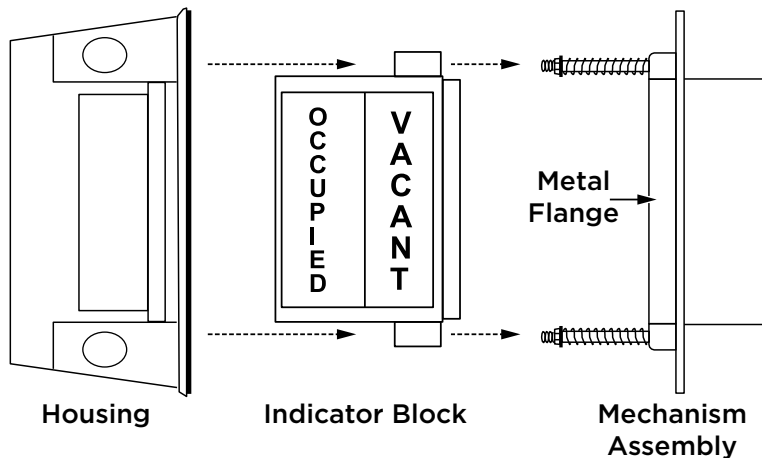

Automatic Occupancy Indicator Sign by Peep No More™
